# DEDICATION

Words....words of friendship, words of firm belief and dignity....words from the man who has given John F. Kennedy Junior-Senior High its spirited and vigorous beginning. During Kennedy's short history this man has distinctly influenced each faculty member and each member of the student body. This is a man loved and admired by each of us; this is a man whose warm smile of greeting is extended to all. His philosophy of life has frequently helped many of the students at J.F.K. in making an important decision. This is a man who welcomes his duty as a leader, advisor and friend to the students. As a leader he has expressed the principles of fair play and sportsmanship which will truly carry the banner of blue and green to ever higher heights. Therefore, the yearbook staff proudly dedicates its first 'Profile' to our distinguished principal, Mr. Sam Waldman.

"...the builder of good citizens."

## *Kennedy comes alive in the fall*

During the course of the week there is one day when students put aside their studies and go out for a day of cheering J. F. K. 's teams toward victory. Spirit contests such as poster week add to the excitement and fun of school life, and R. O. T. C. provides a reminder of patriotism.

Friendships grow in the halls of Kennedy.

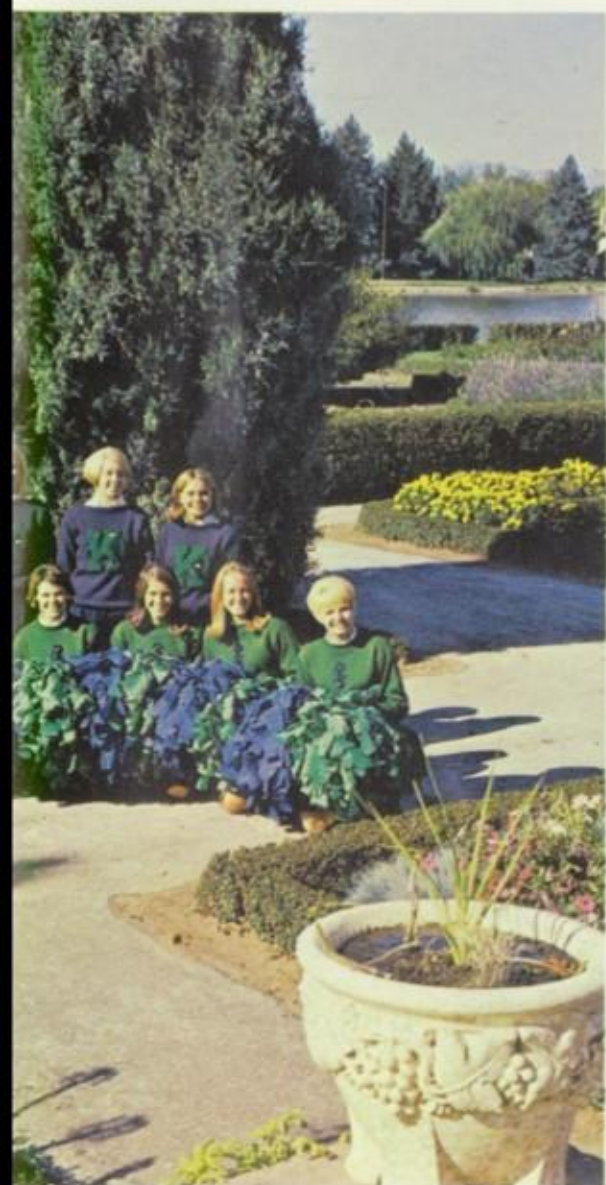

The opening of the 1966 sports and activities brought fun, excitement and spirit to the first fall season of J. F. K. Cheerleaders and pom-pon girls, in their colorful uniforms, led the student body in cheering of athletic activities, while the pep club provided a backbone for school spirit.

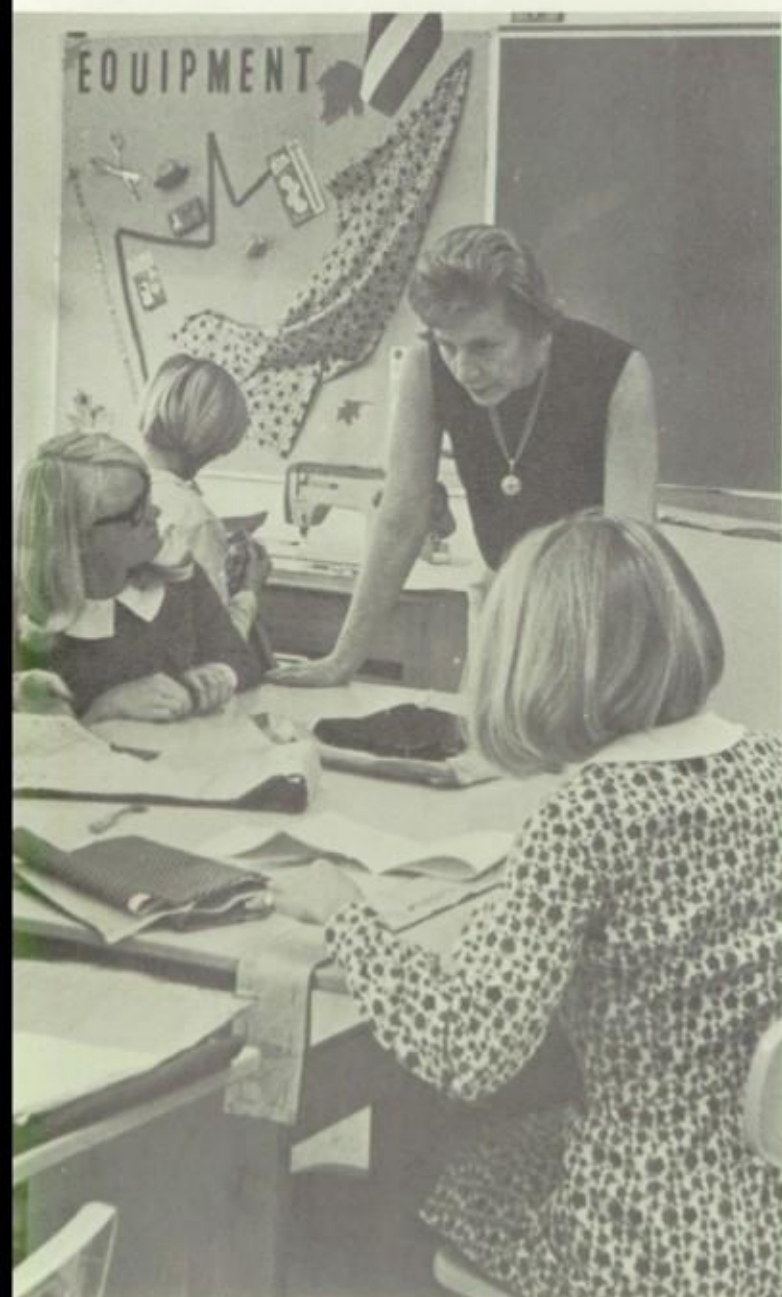

Many things are associated with the education of a student. Included among these things are places a student may go to learn and relax at the same time. Now that we, the students, have been furnished with the first essential building block, it is up to us to build our futures from it.

Could any early morning lab period be the first event of your busy school day?

Passing from class to class may be a very daring feat, but it is one you know must be accomplished in order to get to that next class....

Were you one who stopped along the way to sign a petition? Last minute assignments must be finished for your next hour class, or in order for you to have a free weekend... At last the time comes, the big event of the day, lunch... After lunch, a class like shop could fill forty-five minutes with activity...

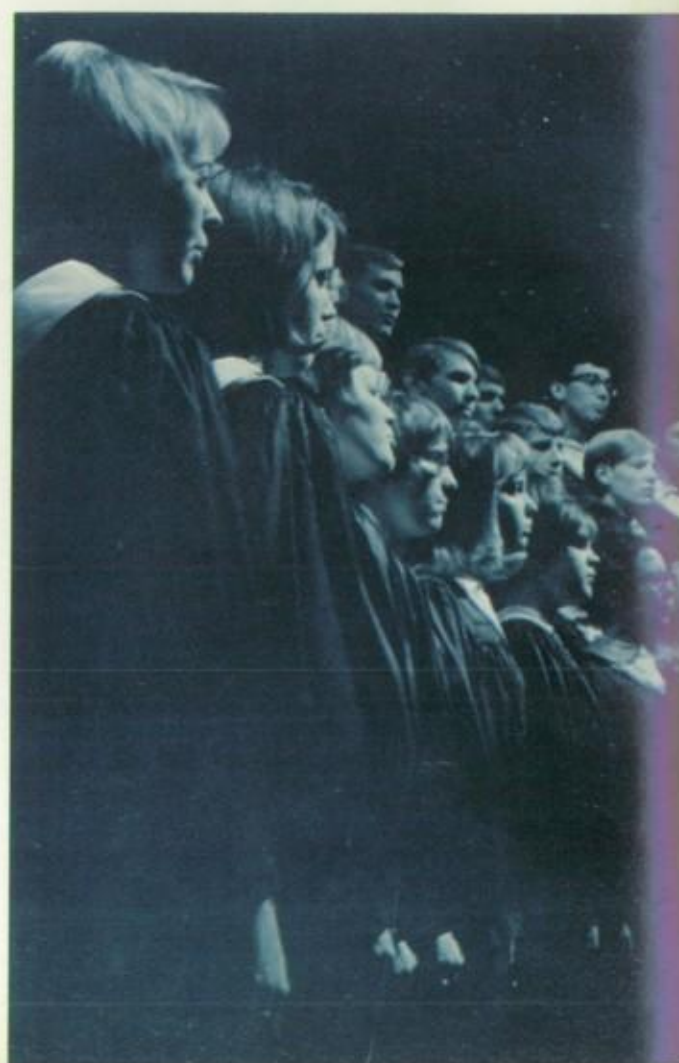

Now comes the most enthusiastic part of the day... Only seconds after the 3:30 bell rings, students may be seen departing to the main hall, from which they will go home and begin their lessons and ANXIOUSLY await the beginning of another school day.

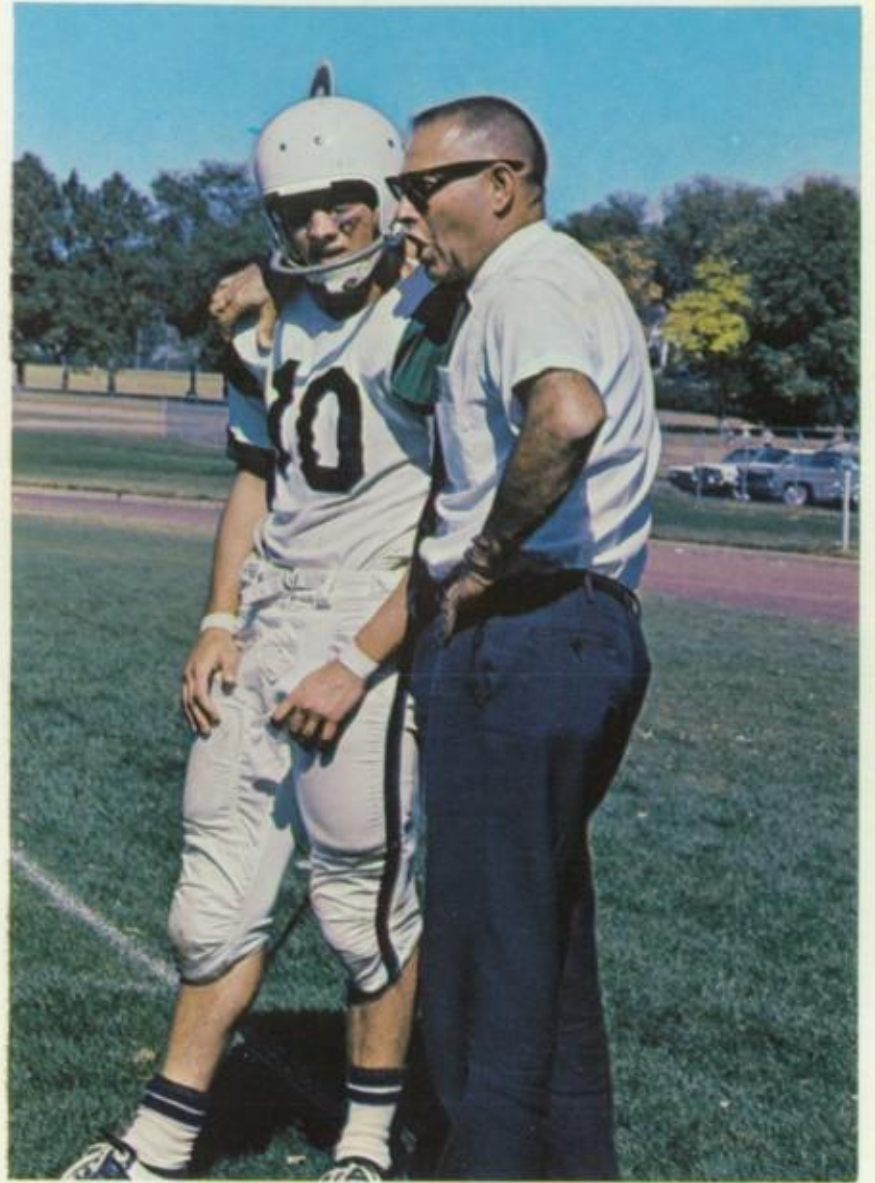

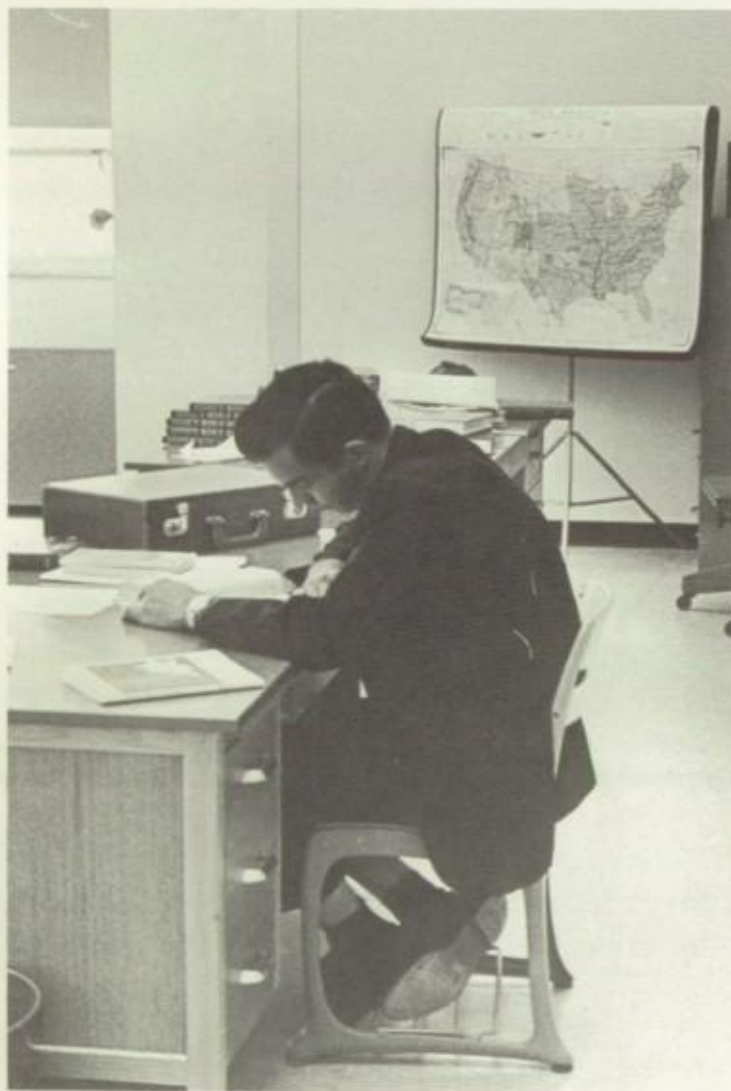

This is the image of John F. Kennedy Junior-Senior High, our student body, our facilities and our activities.

We portray the enthusiasm of youth and vigor in our newness. . . In our rapid growth we are gaining strength and wisdom, and are building a sense of pride in and dedication to our school and to the memory of our namesake, John Fitzgerald Kennedy.

Faculty members at Kennedy function as counselors and advisors, aid in building strength of character in classrooms, in athletics and in extra-curricular activities, and also exhibit a dedication to the preparation of class work which will enable them to aid students in their educational pursuits.

While the faculty members work with students on an individual basis, both in school and in outside projects, the administration is in charge of the group programming for all school functions. They supervise the facilities within the school and coordinate all instructional activities.

Mr. Waldman, who serves as head of the administration, has summarized the philosophy of the entire school staff by stating, "Rendering service to other people is an important reason for living. You must first stabilize your own life and then render some service to your fellow man."

The National Honor Society is a nation-wide organization sponsored by the National Association of Secondary-School Principals. Membership is based upon a combination of scholarship, leadership, service and character. It enables the faculty of the school to give recognition to outstanding students. The purpose of the club is to stimulate and encourage higher standards of excellence. It helps to create an enthusiasm and respect for scholarship, to promote worthy leadership, to encourage the development of character in all students and to stimulate a desire to render service. Many active programs of school and community service are undertaken to give members an opportunity to mobilize their ideas and provide service in accord with their abilities.

## F.T.A.

Future Teachers of America is sponsored jointly by the National Education Association and the Colorado Education Association. The purposes of the club are to learn about the teaching profession, including its opportunities, and problems; to help members determine what interests and abilities they have in relation to various fields of teaching; to cultivate in each member the qualities essential for good teaching; and to provide information about colleges and universities which offer teacher-education programs.

The activities of the club include special programs during National Education Week; guest speakers from the teaching profession and other related areas; and actual experience in tutoring students and observing methods of teachers in their particular interest area.

## *SPEECH CLUB*

The purpose of the Forensics organization is to increase the abilities of young people in the area of self expression. This is done through city and state competition in speaking categories. These categories are Debate, Extemporaneous Speaking, Original Oratory, Discussion, and Humorous Dramatic, Poetic, and Oratorical Interpretation. Since many of the speeches are required to be in general interest areas composed of topics important in our modern society, participants not only increase speaking ability, but increase their knowledge of the world around them. In addition to providing valuable experience for later vocational endeavors, the organization fosters fellowship among students.

Barb Horiuchi and Carl Mayfield  
reign over Shamrock Dance.

Kennedy's first all-school show, "The Sound of Music," was the most outstanding success of the year. Tickets were sold out on both production nights, March 3 and 4. The performances of those in the play were highly praised. The 60 member cast included Ann Dodd and Donna Kilgore in the role of Maria, Bryan Penner as Captain Von Trapp, Mark Shively as Rolf, Steve LeGrue and Mike Hulse in the part of Max Detweiler, Anita Bustamante and Jodelle Hulse as Mother Abess, and Cheryl Thye as Elsa Shraeder. The Von Trapp children were played by Eric Sharp, Paul Turner, Rae Ann Phelps, Corinne Hahn, Pat Chance, and Karen Smith. Leigh Anne Slatten and Debby Smith portrayed Liesl. Kathy Blea served as student director of the production.

## *HOMECOMING*

*Kathie Ball      Carl Mayfield*

"The Twelfth of Never" was the theme of Kennedy's first Homecoming Dance, held November 12. Decorations were elaborately done in shades of purple and blue. A large silver football, calendar, and clock adorned the walls of the gym, and a decorated bridge and fountain greeted the couples as they entered. "The Soothsayers" set a lively pace for the dance. Bill Bradley and Carol Coleman reigned as King and Queen, with Jim Conwell, Mickie Armbrust, Carl Mayfield and Kathie Ball as attendants.

# *SOPHOMORE PARTY*

*Cyndi Carvill*

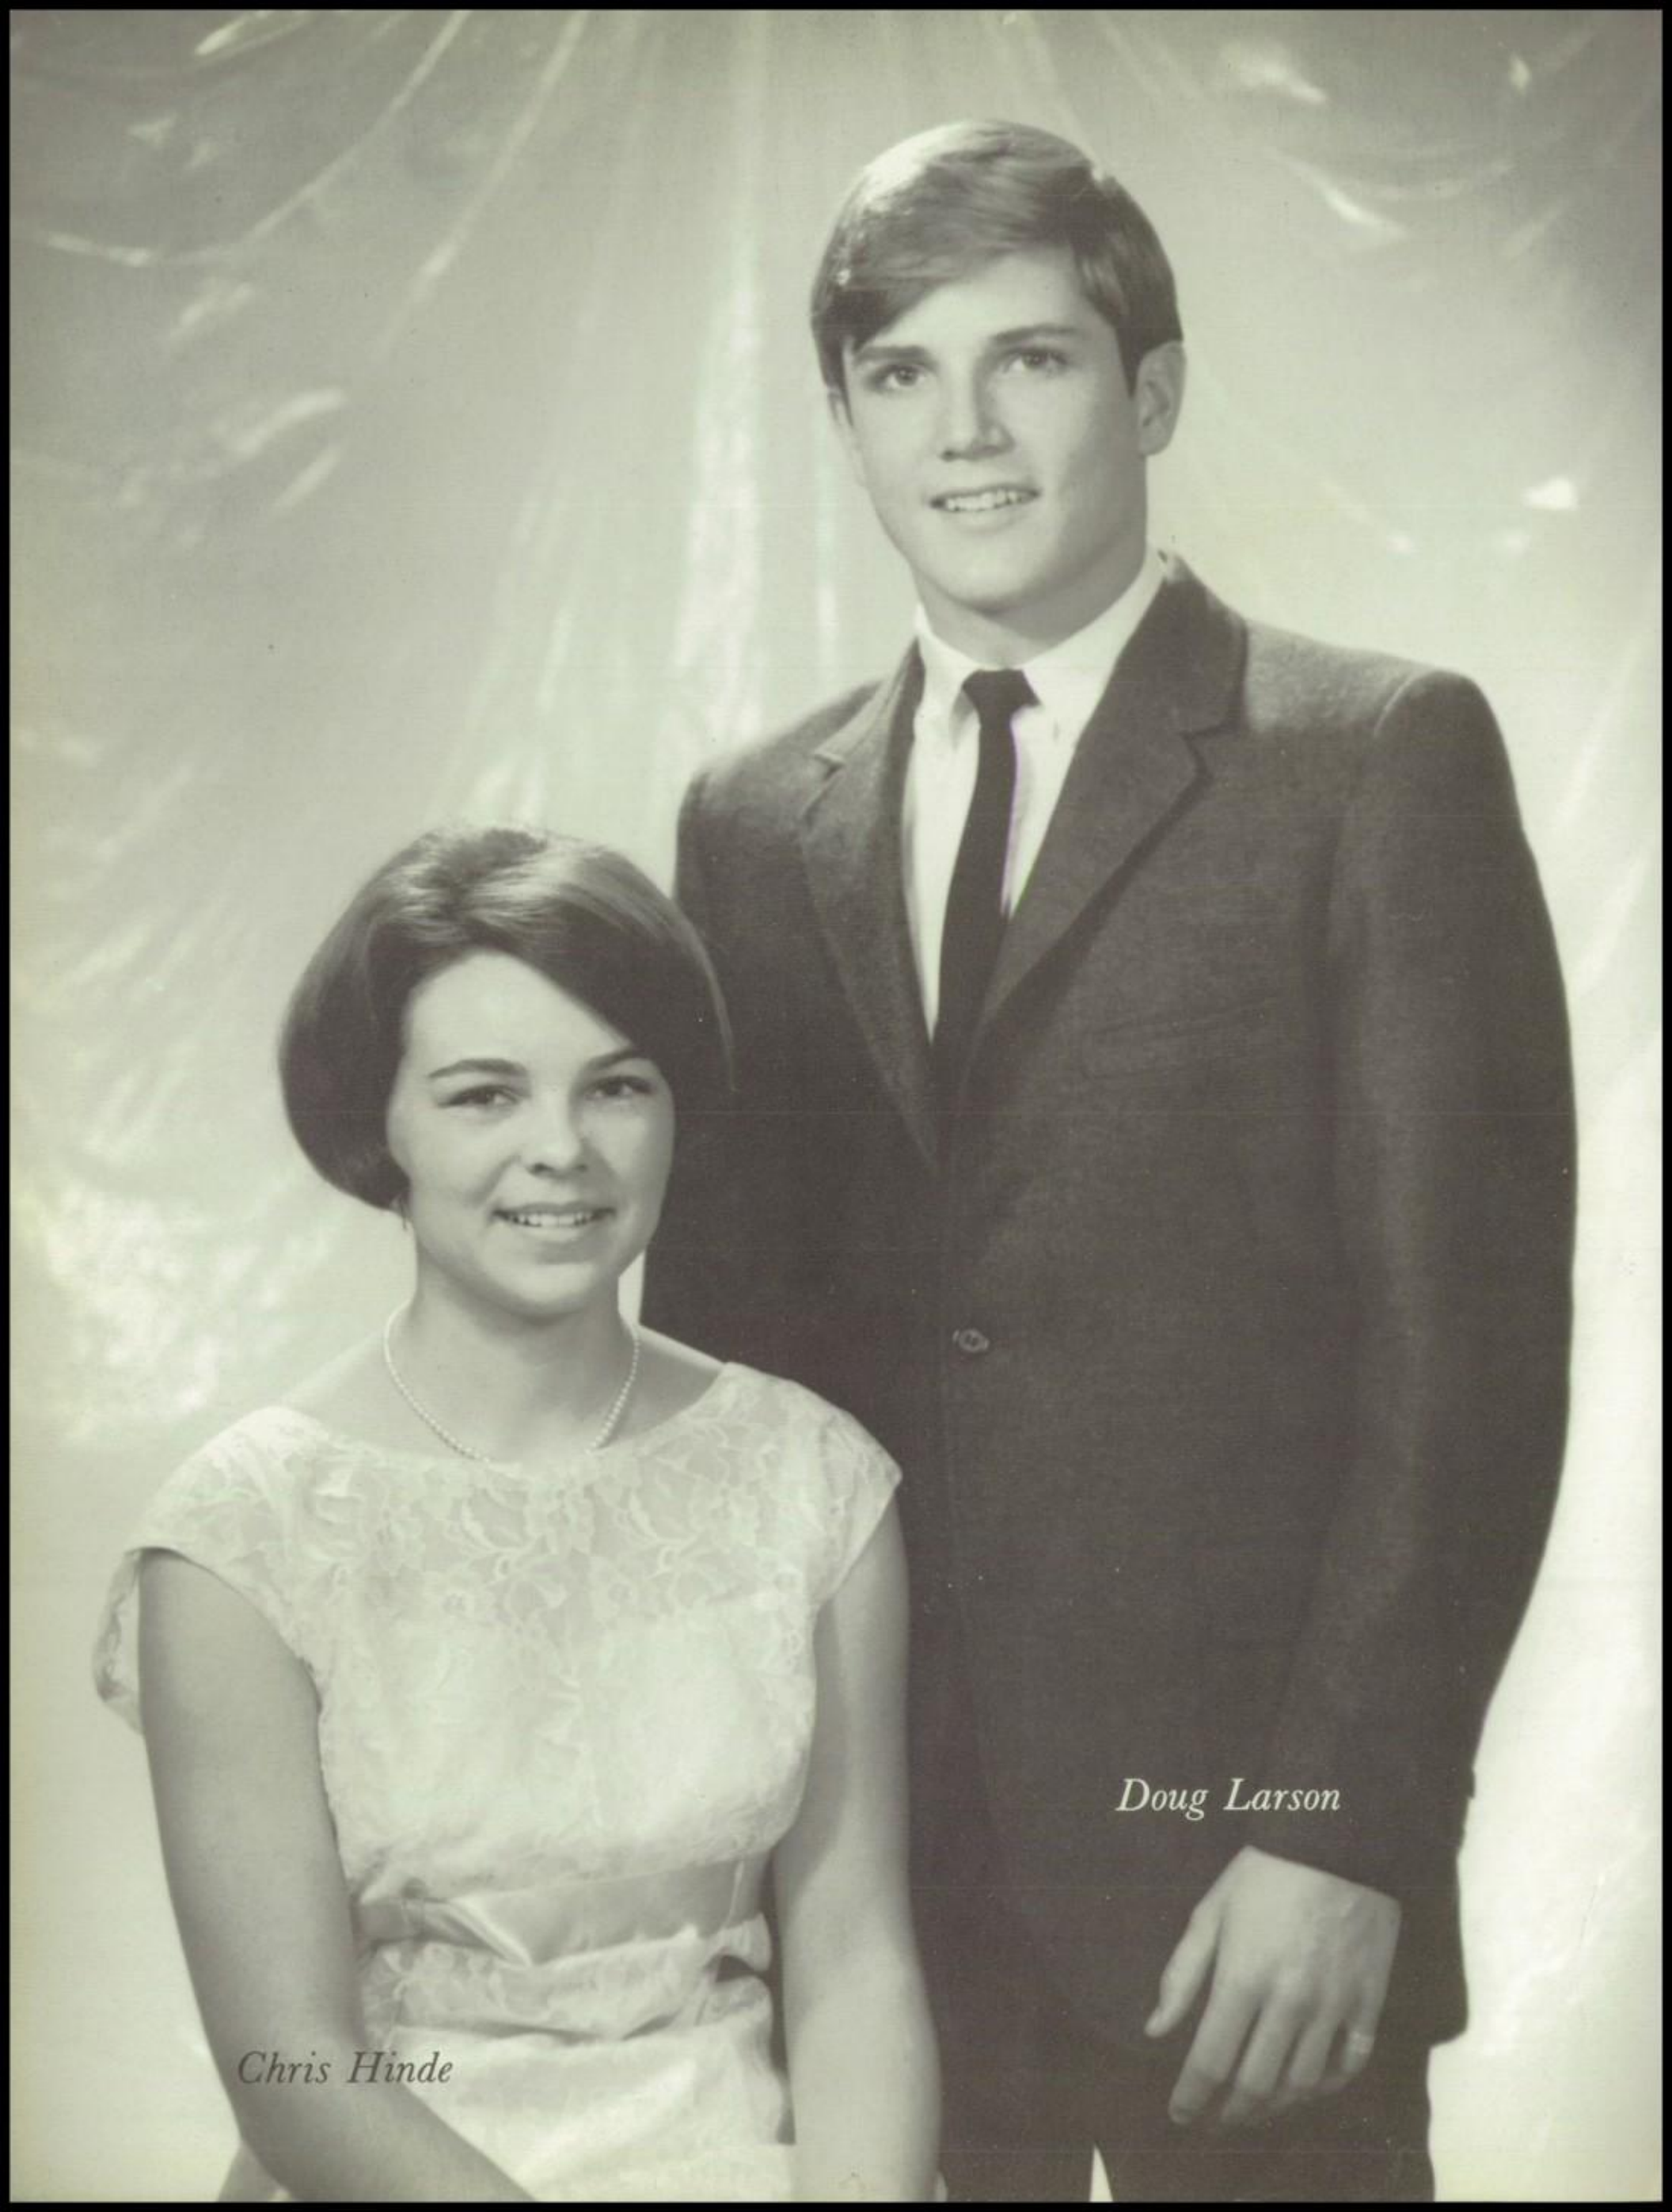

*Jax Horvath*

*Donna Hastings*

Tom Dahmer and Diane Wilcoxson reigned as King and Queen at the Sophomore Party on December 10. Their attendants were Donna Hastings, Jax Horvath, Cyndi Carvill, and Steve Yates. Various shades of blue characterized the theme of "Night Blue." A mirror ball revolved in the center of the ceiling, flashing bits of light throughout the gym. Music was provided by the "Group Hysteria."

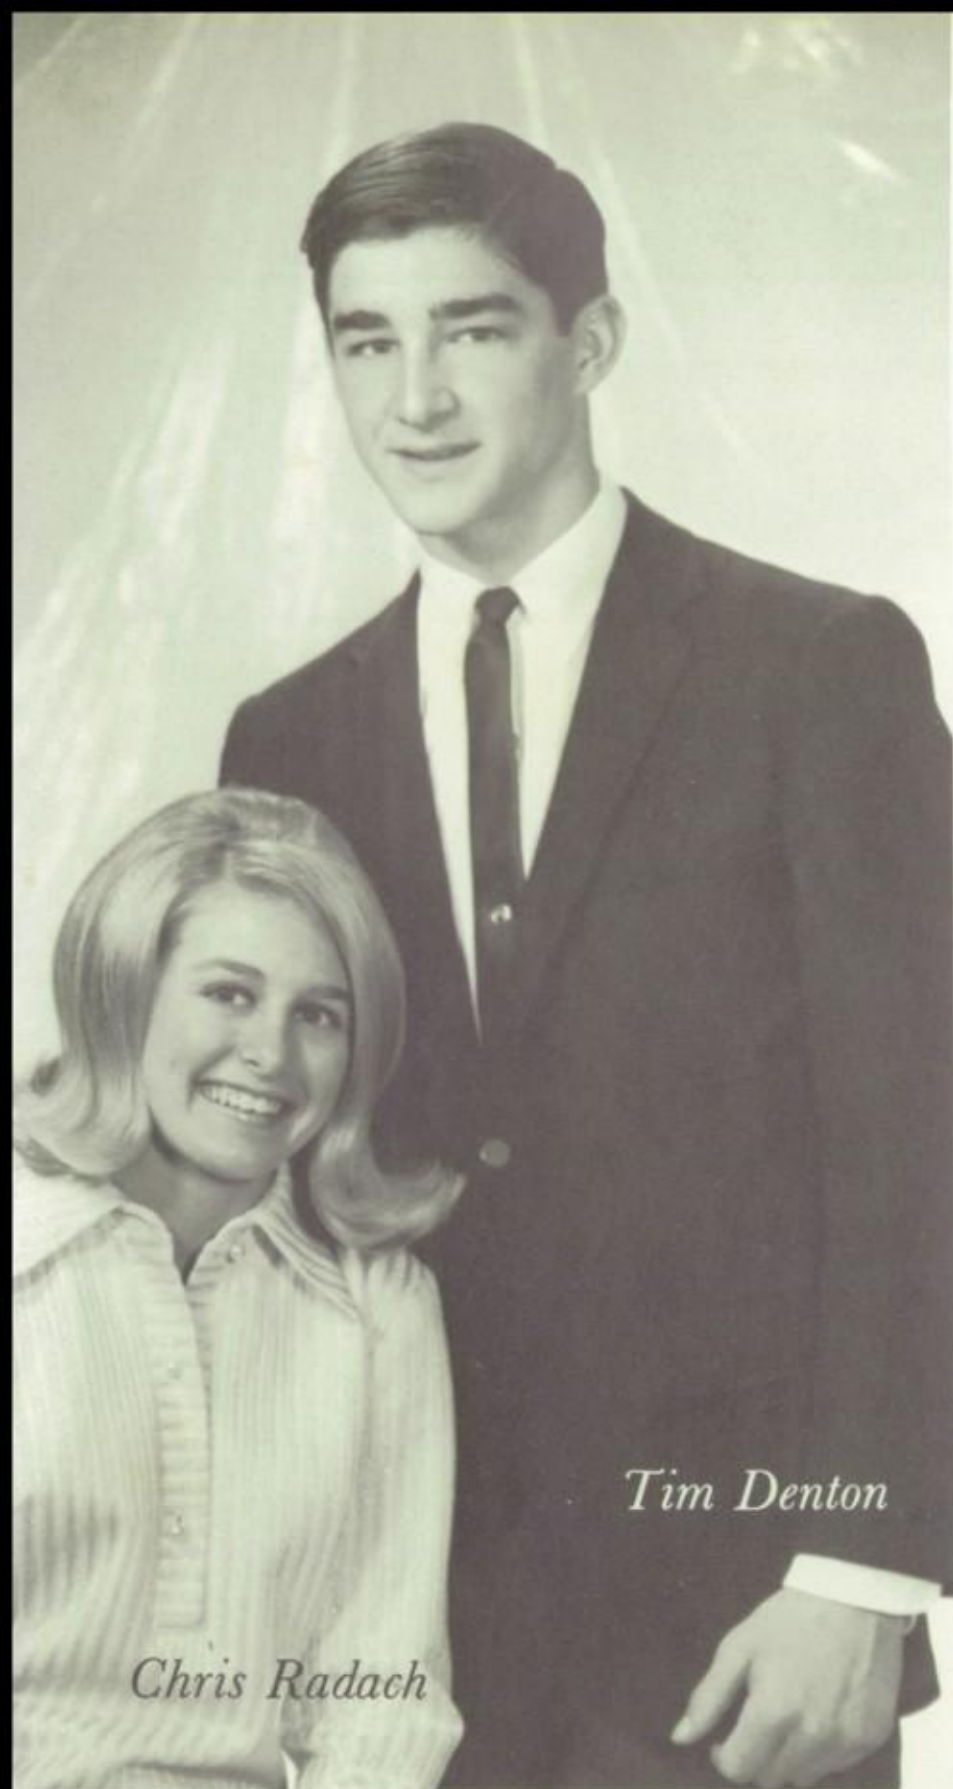

*Chris Hinde*

*Doug Larson*

## *JUNIOR PROM*

*Tim Denton*

*Chris Radach*

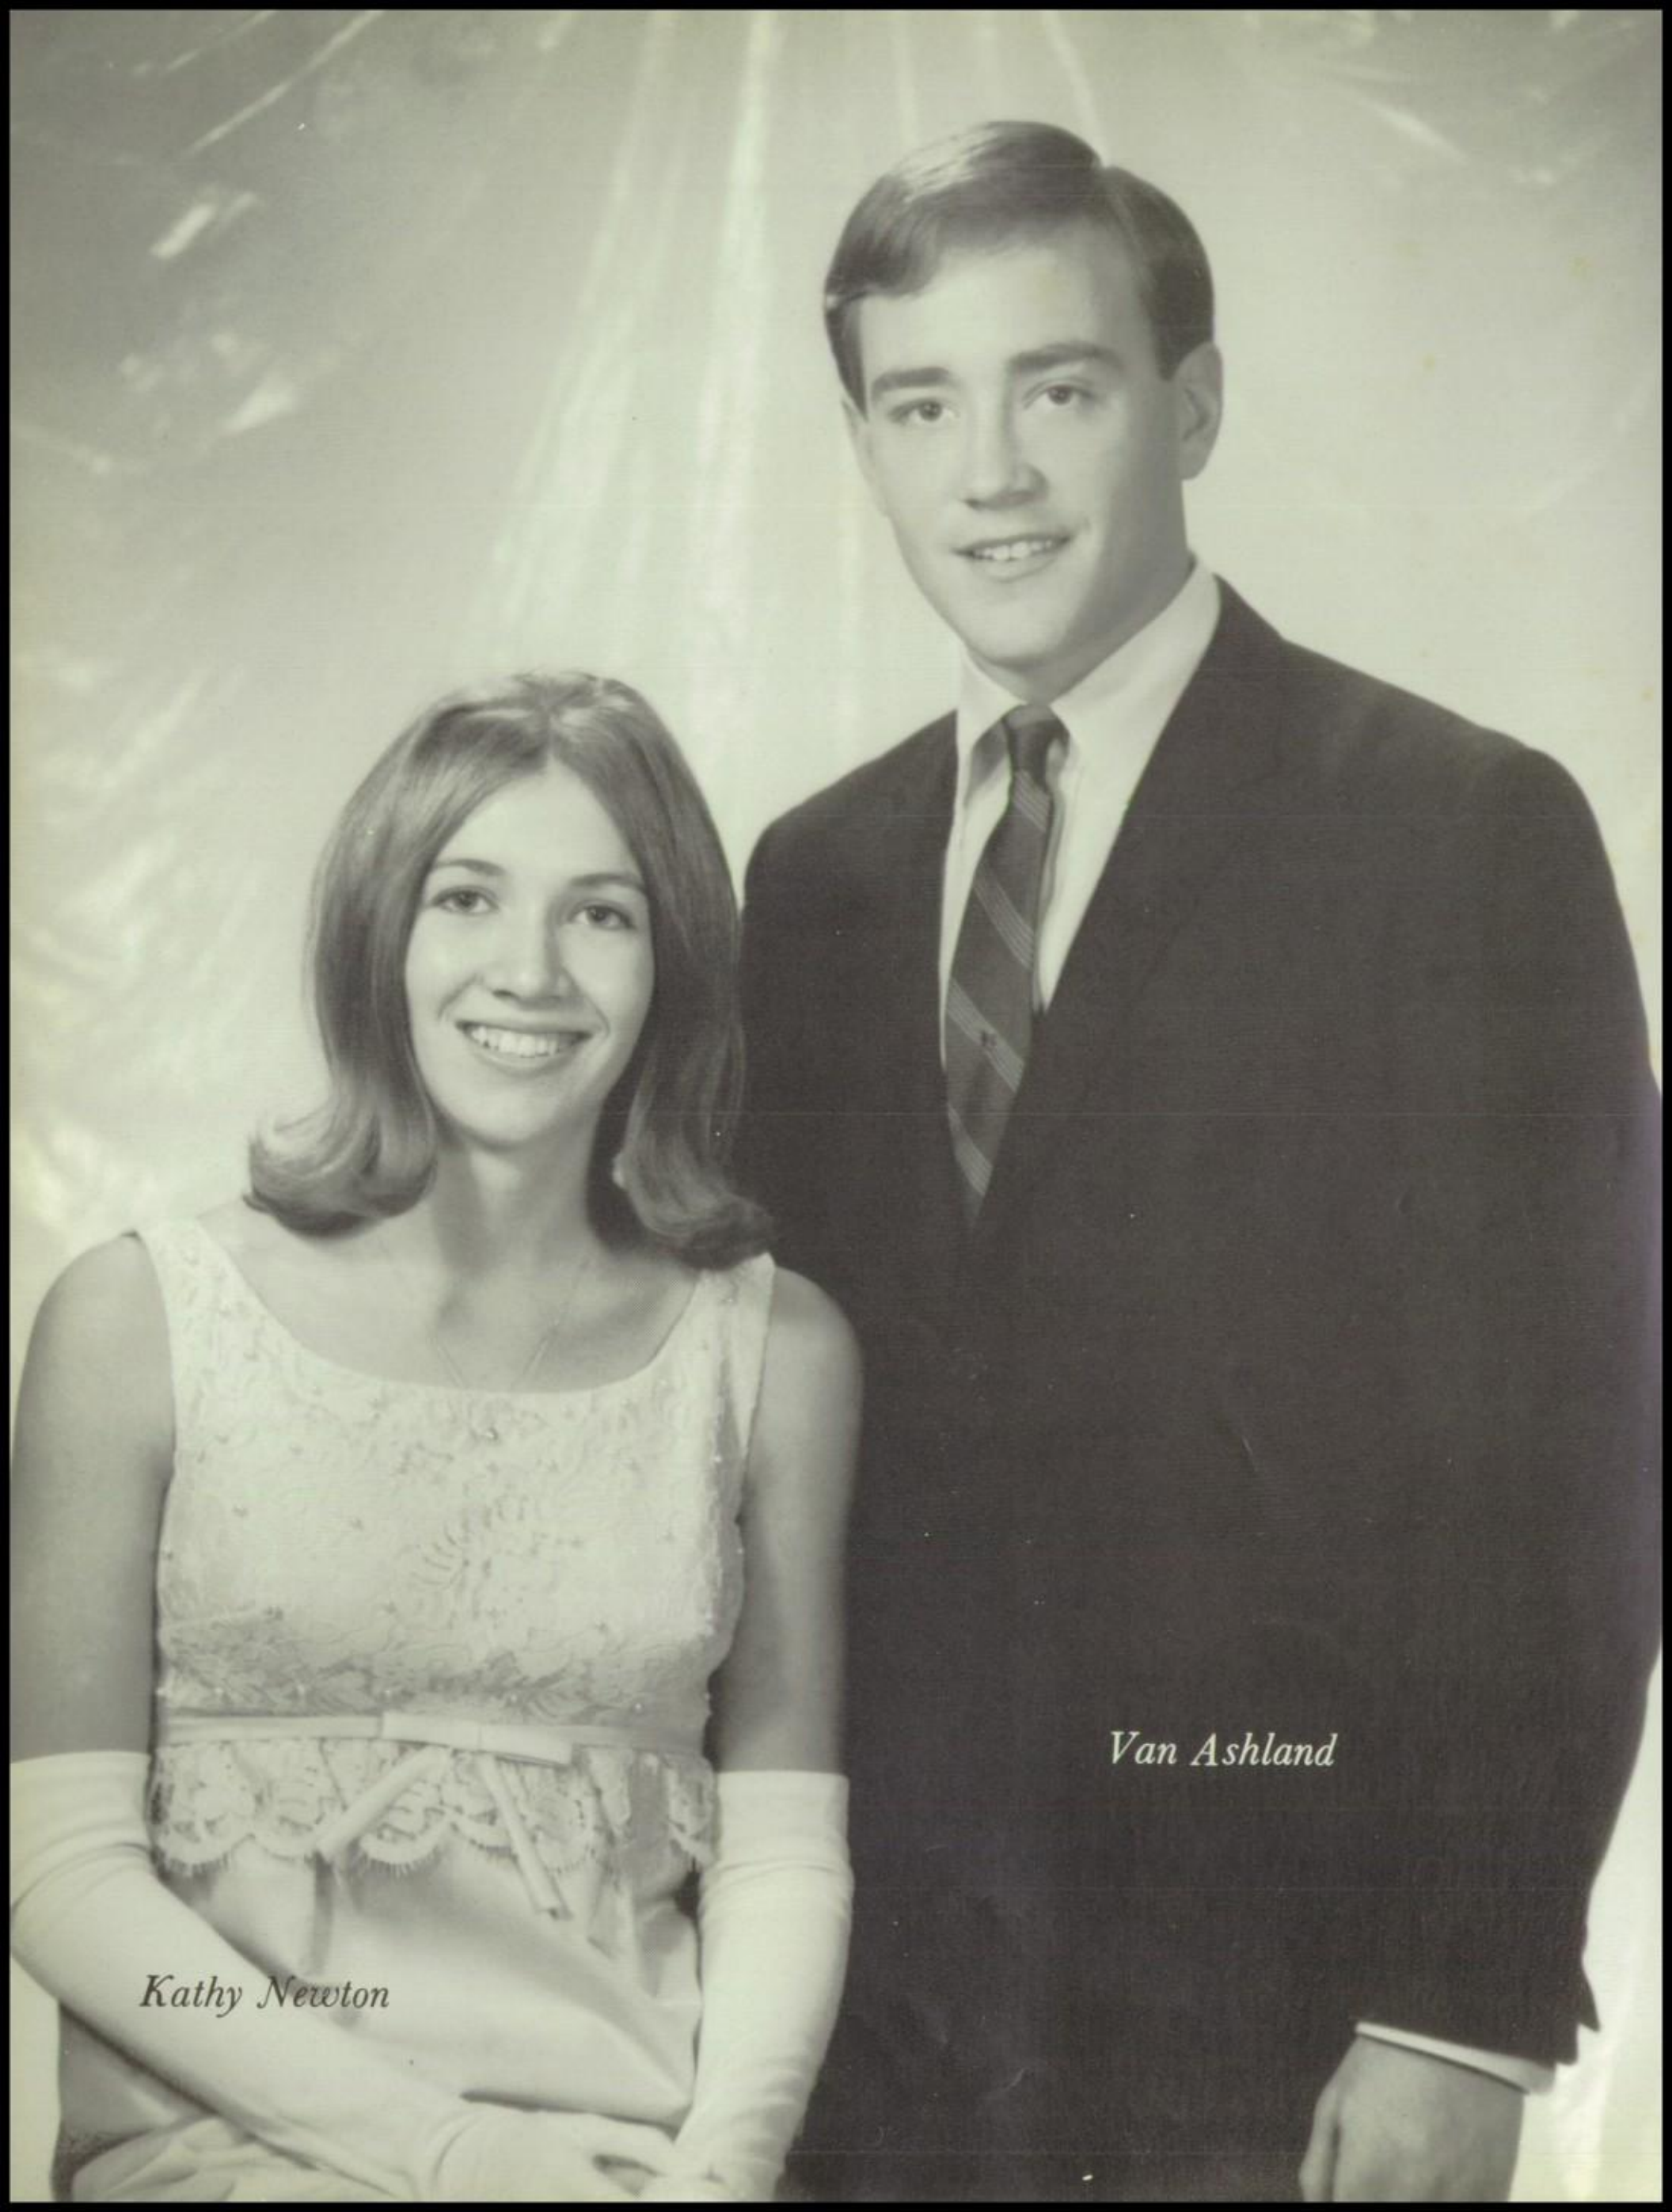

Festive decorations done in gay colors and the music of the "Daniels" highlighted the theme of the Junior Prom, "Mardi Gras". Confetti, flowers, and balloons enhanced the New Orleans atmosphere. Attendants to reigning King Doug Larson and Queen Chris Hinde were Sandi Symons, Mike O'Mara, Chris Radach and Tim Denton. The semi-formal dance was held on February 18 in the Kennedy gym.

Remembrances of the past years, the anticipation of approaching graduation and the end of an eventful senior year occupied the thoughts of those attending the Senior Prom, held April 1 at the Greek Hellenic Center. "Les Memoires" was chosen as the theme by the senior class. Pink and burgandy decorations provided the background for the crowning of Queen Kathy Newton and King Van Ashland, attended by Dave Hill, Kathy F. Ball, Don Gray and Cheri Weller. Romantic music by "Viva la Brass" completed the memorable evening.

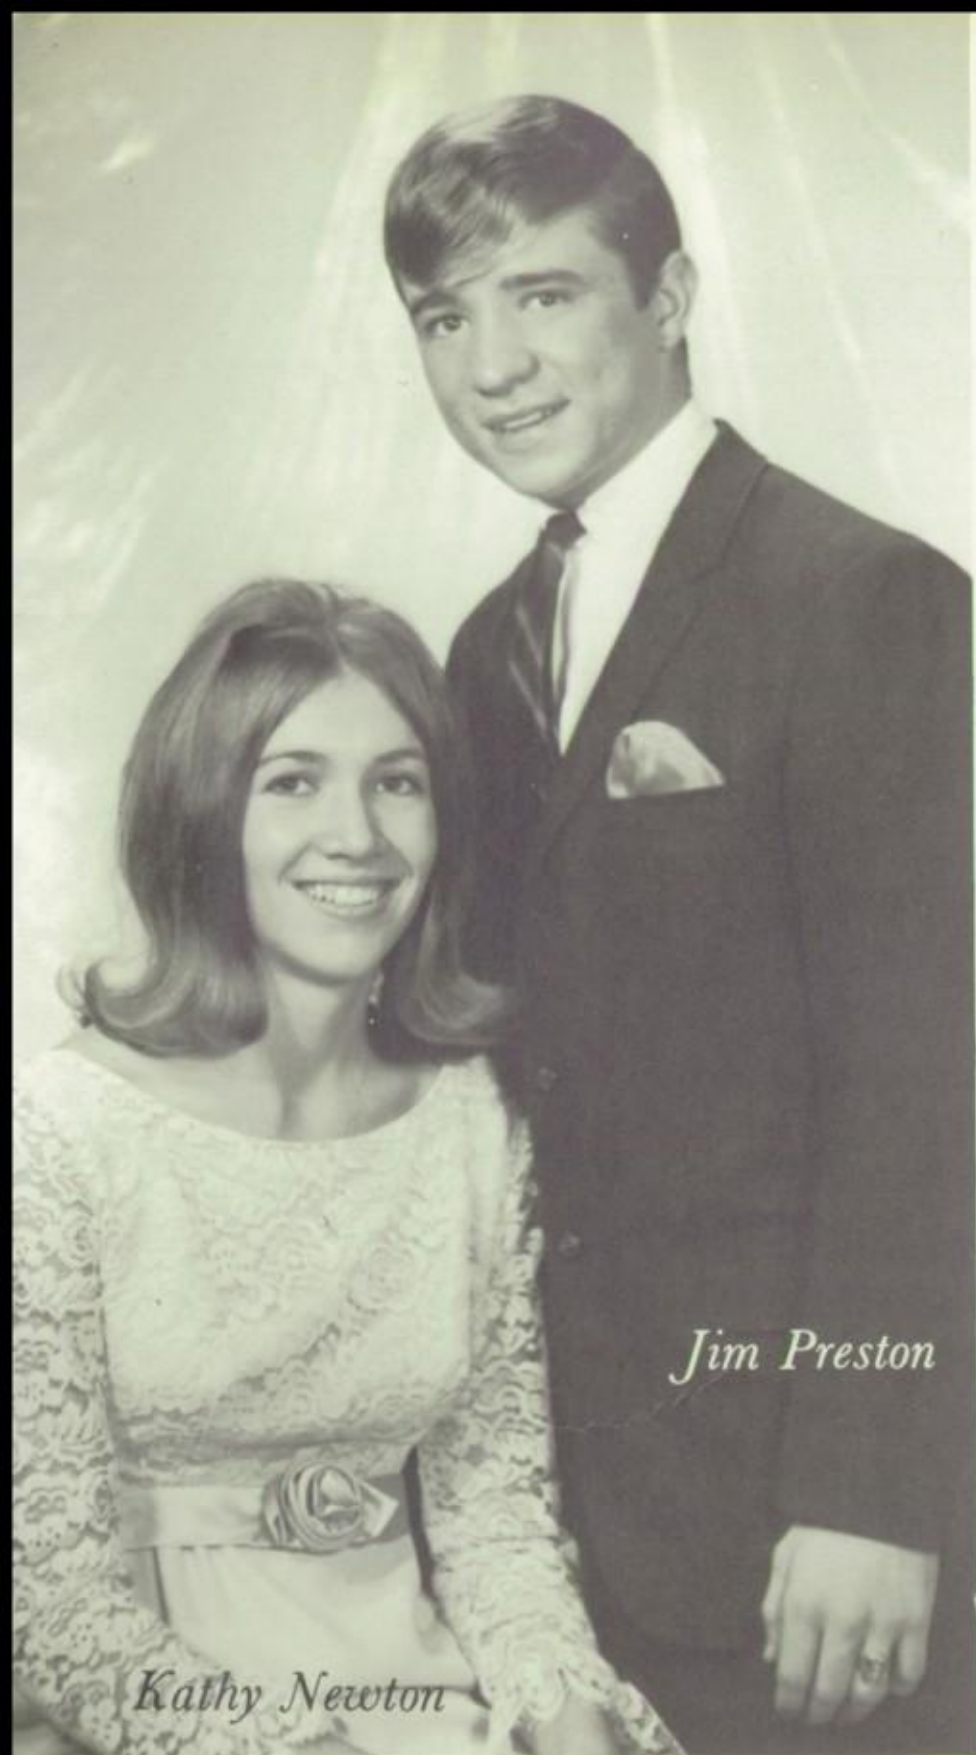

*Barbara Horiuchi*

*Carl Mayfield*

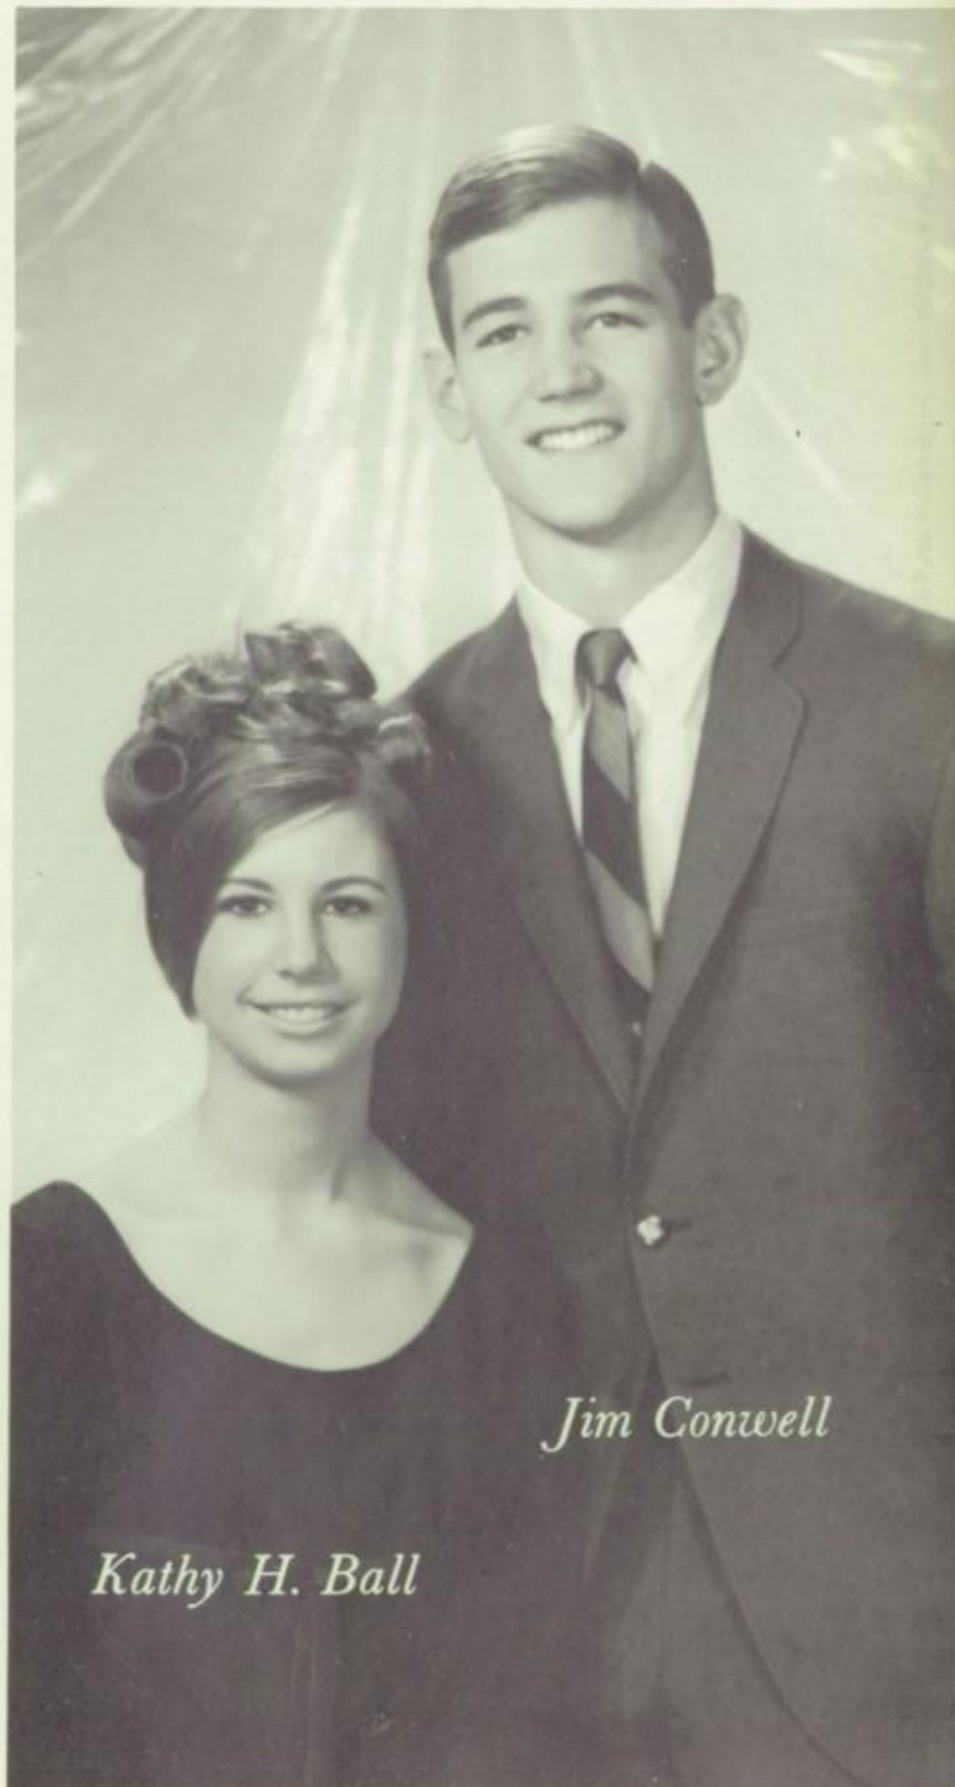

## SHAMROCK DANCE

*Kathy Newton*

Leprechauns and a fairy castle set an enchanted Irish scene for our annual Shamrock Dance held March 18. Amid green streamers accented with bright orange, we danced to the music of the "Beggar's Opera Company". Barbara Hor-iuchi and Carl Mayfield reigned, chosen by teachers and students for their accomplishments. Jim Conwell, Kathy H. Ball, Jim Preston and Kathy Newton attended the king and queen.

## *COLOR DAY*

*Cyndi Carvill*

*Jax Horvath*

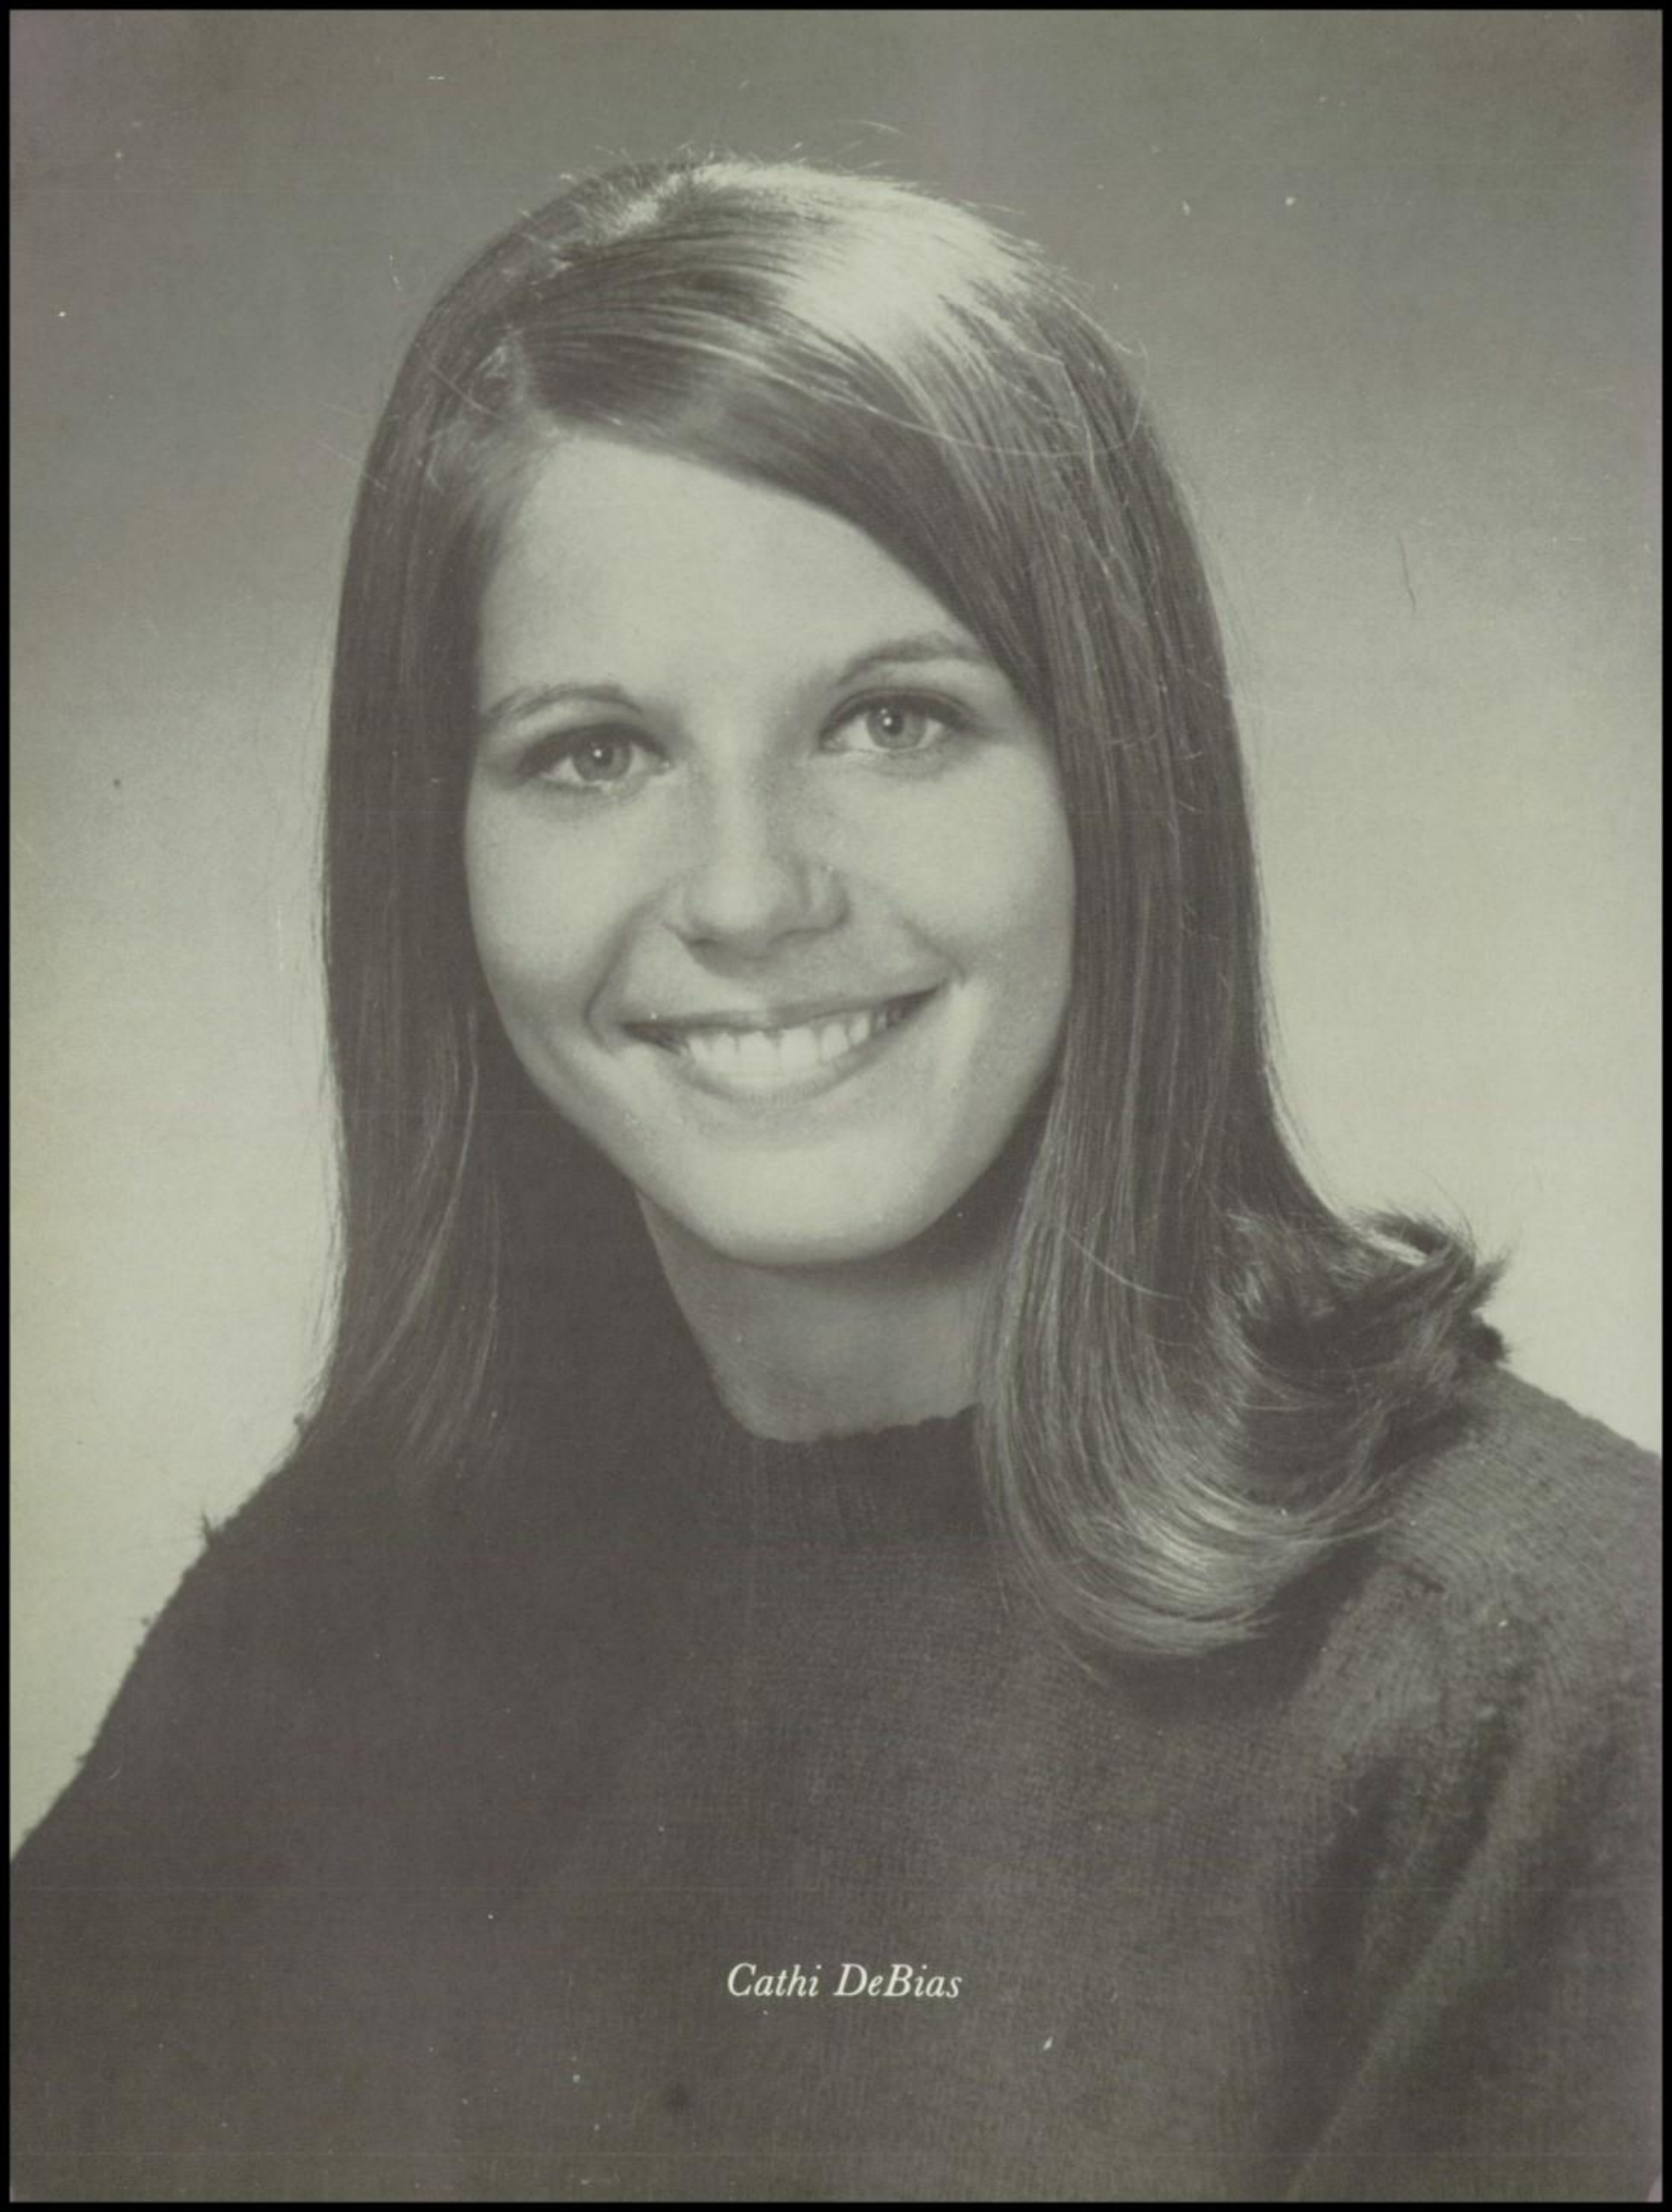

*Julie Kastrup*

*Mike Pfeifer*

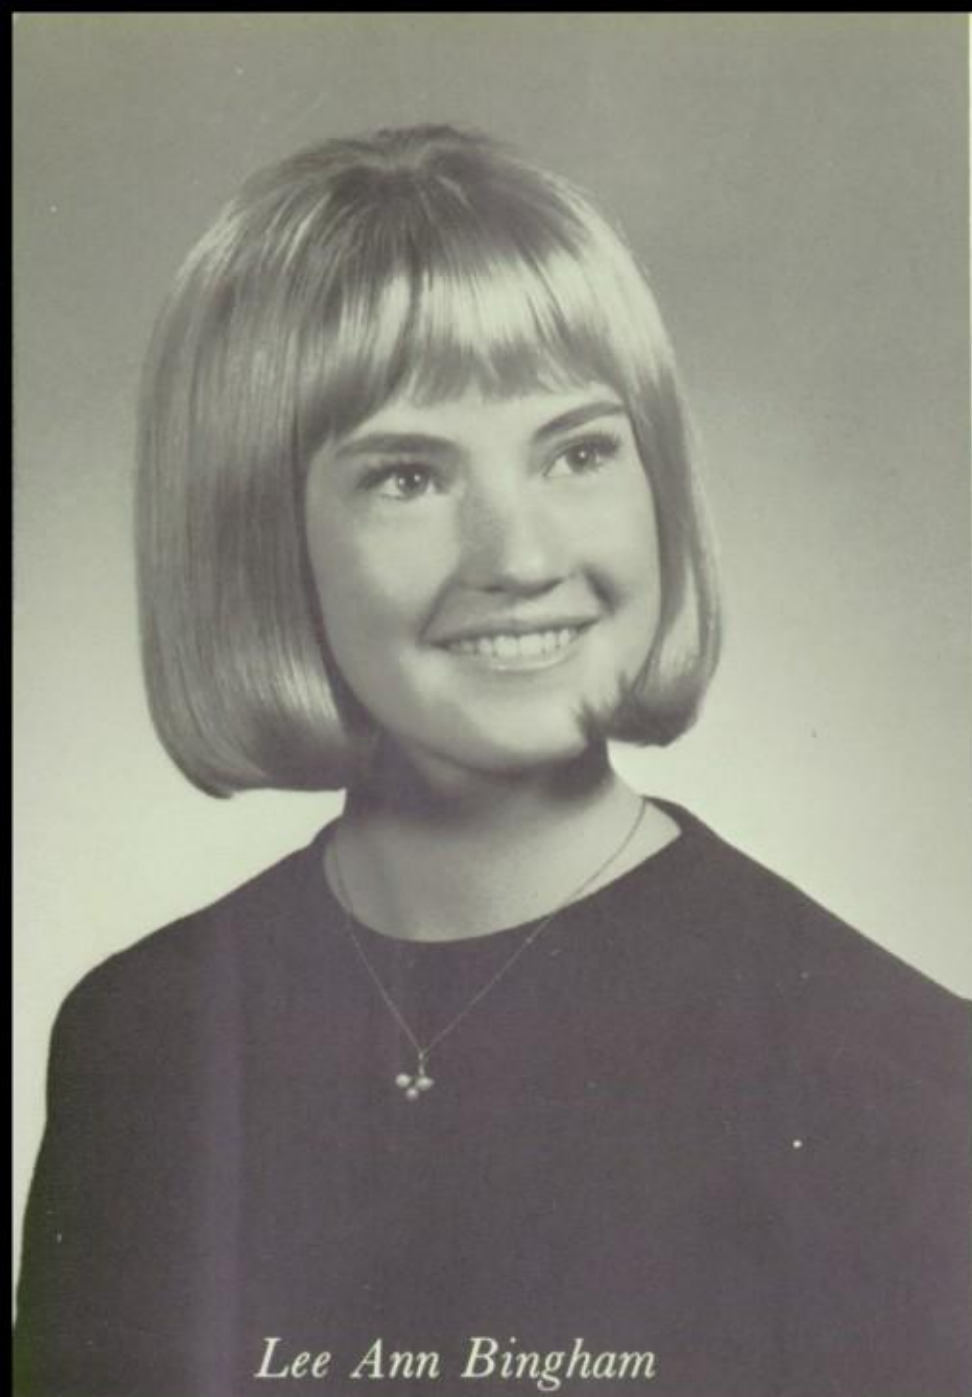

"Keyed Up", sponsored by the Key Club, was the theme for our last school dance. The couples danced to the music of "The Sons of Time" in the Kennedy gym, which was decorated in the school colors. Because the seniors earned the most points in activities such as the Canned Foods Drive and the Goodwill Drive, their candidates, Sheri Smith and Chuck Lamb, reigned over the May 12 Color Day Festivities. They were attended by juniors Julie Kastrup and Mike Pfeifer and sophomores Cyndi Carvill and Jax Horvath.

## MISS PHOTOGENIC

This year we were privileged to have Miss Colorado of 1967, Holly Smith, as a judge in selecting our first yearbook queen, Cathi DeBias and her two attendants, Lee Ann Bingham and Linda Jo Hoppe, representing the junior and sophomore classes. The names of the candidates were kept in close secrecy until the publishing of the annual in May. Finalists were initially chosen by Universal, Tracey, Smythe, Markay, and Allinger studios.

Challenges, hard work, and satisfaction were all a part of the spirit of achievement that grew during Kennedy's first year. The seniors on this page and the next are representative of many seniors, including officers, who have worked hard all year to boost spirit, promote scholarship, and encourage participation in school activities. Their enthusiasm and cooperation enabled Kennedy to start many fine traditions that future students will be proud of.

Supreme Court Justice Byron White delivers dedication address.

Principal Sam Waldman greets attending dignitaries.

On February 1, 1967 we were honored to have Supreme Court Justice Byron White speak at the Kennedy dedication. Justice White emphasized the important accomplishments of the late President, John F. Kennedy, in educational developments. Among those who attended the ceremony were Mayor Tom Currigan and Superintendent Kenneth E. Oberholtzer.

John,  
Well here it  
is the end of another  
school year, and we both  
made it through. Keep up your  
work in school and you'll make it  
to the top. Good Luck and watch out  
for the girls.  
Your Friend  
Melanie Moore
